## INTRODUCTION

The Aralvaimozhi report for the academic year 2025 – 26 at **St. Joseph International School** demonstrates the achievements and the dynamic nature of our school, our commitment to excellence, and our relentless pursuit of achieving our best. Our teachers are reflective and responsive to students’ needs, and there is quality commitment from our school community. Established in 2015, St. Joseph International School has been preparing its students for the future for the last 10 years. We take pride in our unique context of 354 students. We are happy to share our Newsletter for 2025–2026. The academic year 2025–26 started in April 2025 with physical classes from Pre-KG to XII. The school was started with 371 students and 24 teaching staff. Later in the month of September, students were given admission to KG classes.

## SCHOOL REOPENING

- On **June 2nd, 2025**, we reopened classes for Grades 1 to 11 and warmly welcomed all our students with sweets and flowers. With renewed hope and enthusiasm, we also extended a heartfelt welcome to our new admissions.

- On **June 4th, 2025**, we reopened for our KG kids and welcomed them warmly with sweets and flowers. We were happy to greet our new friends and start the day with joy and excitement.

## **AWARDS & ACHIEVEMENTS:**

- We introduced a Rolling Trophy awarded weekly to the best class for consistent English speaking and exemplary discipline.

- On 11.06.2025, We appreciated the students who completed their holiday assignments on time by awarding them certificates and a small token of encouragement.

## CELEBRATING JUNE:

- We celebrated **Environment Day on 05.06.2025** in our school premises with a variety of awareness programs, including a fancy dress event and a drawing competition for students of Classes I to VIII.

## Launching the Nature Lab: (05.06.2025)

The **New Nature Lab** was inaugurated by our Respected Principal on **05.06.2025** as part of our academic initiative. Showcasing a vibrant collection of plants, seeds, and student-created creatures, the lab reflects our students' creativity and commitment to environmental learning.

## INTERNATIONAL YOGA DAY:

- On 20.06.2025, we celebrated **International Yoga Day** during our school assembly. All students enthusiastically participated in various yoga asanas, promoting mindfulness and physical well-being.

## EQUIPPING EDUCATORS:

- On **14.06.2025**, a **Faculty Development Program** on Classroom Management was conducted to enhance teaching skills and create a positive learning environment.

- Our Principal conducted a two-day training session on Competency-Based Education for our faculty, aimed at enhancing teaching effectiveness and student-centered learning.

- Every Friday, we conduct Coordinators' and Principal's meetings with the staff to discuss planning, progress, and collaborative goals.

## PIONEERING EXCELLENCE: ACADEMIC INITIATIVE LAUNCH

- On **14.06.2025**, an **Edu Mentor session** was held to guide and support students in their academic and personal growth.

- We launched a **school radio program** to enhance student knowledge and communication. Guided by our English faculty, students from each class take turns hosting during lunch break, sharing stories, leaders' messages, and quizzes. It's an enjoyable and educational experience for all.

- Every Saturday, we observe 'No Bag Day' to encourage experiential learning through various clubs such as the **Maths Club, Eco Club, Science Club, Literature Club, Financial Club, Bird Watching Club, and Mythology & Folklore Club**. These activities help students step beyond textbooks and explore the world around them.
