MONTHLY NEWSLETTER – NOVEMBER – 2024
Theme: “Fully Human and Fully Alive”

Dear Parents, Teachers, and Students,

As November comes to a close, I am delighted to reflect on the vibrant activities and milestones achieved this month. It has been a period of learning, celebration, and collaboration, with students excelling in various domains. Here are the highlights:

1. Halloween Day Activity for Kindergarten:

Our little ones celebrated Halloween with joy and creativity, showcasing their artistic talents through costumes and craft activities that sparked their imagination.

2. Children’s Day Celebration:

This special day was filled with laughter and excitement as we honored the spirit of childhood through engaging performances, games, and fun-filled moments cherished by all.

3. Periodic Assessment 3 for all classes and Revision Tests for Grades 10 and 12 Dedicated revision sessions were conducted to help our students prepare for their upcoming exams, emphasizing a solid foundation for academic success. PA3 exam was conducted for all classes.

4. Meetings and Competitions:

Productive meetings were held to align on academic and extracurricular goals.

Various competitions saw enthusiastic participation, fostering a spirit of healthy competition and showcasing the exceptional talents of our students.

We thank our students, parents, and teachers for their unwavering support and active participation throughout these events. As we move forward, let us continue to nurture a positive and enriching learning environment for all.

**Warm regards,
G. Franklin Wilfred
Principal**

AWARDS & ACHIEVEMENTS:

- ❖ **On November 23, 2024, at the district-level skating competition in Tuticorin, our student Pranav Dev, from Class VI, won one silver medal and one bronze medal.**

❖ On November 5, 2024, our KG children enthusiastically celebrated Halloween with engaging activities.

❖ On November 8, 2024, the principal conducted a POCSO meeting, offering a comprehensive explanation of its key terms and conditions.

❖ On November 9, 2024, the occasion was graced by the presence of Rev. Sister Shiny and the Principal. We celebrated Scima'24, where students showcased their talent through various maths and science projects, with participation from classes I to V.

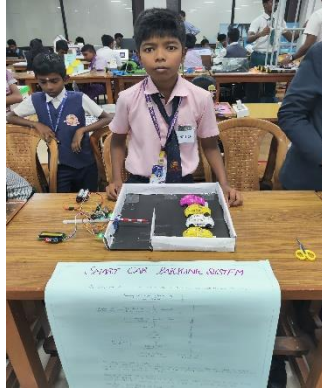

❖ On November 14, 2024, we celebrated Children's Day with a delightful distribution of sweets, a movie screening, Games and a letter-writing activity, while our teachers performed a dance, song, and mime to inspire and encourage the students. The occasion was graced by the presence of Rev. Sister Shiny and the Principal.

❖ On November 9 & 22, 2024, our school students participated in the Robotics Competition at st xavier's college & DMI Engineer College Science Expo, showcasing their best projects.

❖ On November 23, 2024, the management organized an Art Training Program for teachers on the topic "Art is All," conducted by Mr. Sahaya Belix.

- ❖ Every Saturday of each month, we organize Edu Mentor-Mentee meetings to foster the growth and development of students in classes IX to XII.

- ❖ On November 21, 2024, our principal chaired the Admission Committee meeting and congratulated the team for securing an admission for Class 8. He then discussed the strategies and focus areas aimed at increasing future admissions.

- ❖ On November 6 & 21, 2024, our principal conducted a motivational session for classes X and XII on the topic "Training be a topper" and "God's Plan"

❖ **Every Wednesday of each month, we conducted Toppers and Bloomers meetings to motivate and support the students of classes X and XII.**

❖ **On November 19, 2024, our Principal conducted a counselling session for classes VIII and IX on the topic "5 Habits."**

❖ **On November 11, 2024, in accordance with the DFT guidelines, we conducted the Spellaginos test for classes I to VIII.**

- ❖ On November 16, 2024, our Principal conducted a training program for teachers to enhance and encourage their teaching methodologies.

- ❖ We have developed a monthly assembly theme for each day, covering topics such as Inspiration, Empowerment, Harmony, Leadership, and more. Each day, the assembly is conducted by students from different classes on a rotational basis, where they exhibit their talents and showcase their vision to the audience.

- ❖ On November 26, 2024, we conducted the Indian Talent Math Olympiad exam for students of classes I to IX.

❖ **As per the DFT guidelines, we conducted the Term-I coding assessment for classes I to V during the first week of November.**
